MEMORANDUM OF UNDERSTANDING

1.0 PARTIES TO AGREEMENT

This Agreement is made and entered into this September 22, 2015 by and between the PORT SAN LUIS HARBOR DISTRICT BOARD OF COMMISSIONERS, hereinafter referred to as "District" and the Port San Luis Harbor Patrol Officers Association to be referred to as the "Association," hereinafter. The Association includes all full-time employees of the Harbor Patrol Department, excluding the Chief Harbor Patrol Officer. The Port San Luis Harbor Patrol Officers Association is affiliated with California Organization of Police and Sheriff ("COPS"). The Association members pay dues to COPS.

This Memorandum of Understanding incorporates those provisions of the Personnel Guidelines Manual currently in effect, to the extent not inconsistent herewith. The District reserves the right to add benefits and other items to the Personnel Guidelines Manual so long as they improve or increase benefits, protections, and clarifications which do not detract from or decrease the statements of this Memorandum of Understanding. As deemed necessary by the Board of Harbor Commissioners, the Personnel Guidelines Manual may be revised by insertions of dated revision pages. Revisions to the Personnel Guidelines Manual which affect the terms or conditions of this Agreement will be accomplished by the District and Association approving an addendum to the Memorandum of Understanding.

2.0 EMPLOYEE RIGHTS

Employees of the District shall have the right to form, join and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations including but not limited to, wages, hours and other terms and conditions of employment. Employees of the District also shall have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in their employment relations with the District. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of these rights.

3.0 REQUIREMENTS OF ASSOCIATION

A. The District and the Association agree that not more than one COPS staff representative shall be given reasonable access to working locations during normal hours of work to conduct grievance investigations and observe working conditions. A COPS staff representative is defined as a paid full-time or part-time employee of COPS.

B. The Association shall advise the Harbor Manager at least twenty-four (24) hours in advance of any meetings the Association wishes to hold with the District or on District property and shall notify the Harbor Manager of the presence of a COPS staff representative on District property at the time the representative first enters District property. COPS representatives will not enter any restricted or hazardous work area of the District without the Harbor Manager's prior approval and the COPS representatives will observe and obey all safety measures or other restrictions which apply on District property. COPS representatives will provide their own hard hats or other safety equipment, which meets District's standards, at COPS' expense. The Association shall not interfere with or disrupt any operations of the District, District Employees or Commissioners, advisors to the

District, District contractors, lessees, guests, and/or any other persons or equipment involved with District operations, programs or plans.

4.0 EXEMPT EMPLOYEES

Exempt employees will not be represented by the Association in any matter covered by this Agreement. Only the Board of Harbor Commissioners has the right to determine what positions are exempt from this contract and the following are declared to be exempt: Harbor Manager, Business Manager, Facilities Manager, Chief Harbor Patrol Officer, all members of SEIU (or other bargaining units) including but not limited to, Facilities Department staff, contract, seasonal (i.e. lifeguards), reserve and part-time Harbor Patrol Officers employees and interns.

5.0 ASSOCIATION STEWARDS AND REPRESENTATIVES

5.1 Association Stewards

A. The Association may designate a steward or stewards to represent employees in actual processing of grievances as stated in the section of this Agreement entitled Grievance Procedures.

B. One Authorized COPS representative, as defined in this Agreement, shall be given access to work locations during working hours to conduct grievance investigations and observe working conditions. COPS shall request approval of the Harbor Manager twenty-four (24) hours prior to the intended visit and a management representative may accompany the COPS staff member on the visit. A COPS staff representative is defined as a paid full-time employee of COPS.

C. The Association shall furnish the District's Management with a written list identifying by name and position of all regular and alternate stewards. The Association shall be responsible for keeping the District furnished with the current list.

D. The Association may designate one of the stewards provided in "A" above as the Chief Steward.

The Chief Steward shall have the same authority provided by this article to stewards.

The Chief Steward shall be entitled, in addition to the regular steward or alternate, to participate in the investigation and processing of a grievance without loss of compensation or benefits. The Association agrees that the Chief Steward will perform these duties as expeditiously as possible. When addressing District management, only one Association representative shall be a spokesperson.

5.2 Association Officers and Representatives

The Association shall provide the District's Management with a list of Association officers and representatives who are authorized to meet and confer with the District and to keep the list up to date.

6.0 ASSOCIATION RIGHTS

A. Notification to the Association: Except in cases of emergencies, the District shall notify the Association prior to making substantial changes that cover matters within the scope of representation.

B. The Association's Chief steward, or in his/her absence the department's alternate steward, shall be authorized to participate in the investigation and processing of a

grievance without loss of compensation or benefits. The Association agrees the Chief steward and/or alternate stewards shall perform their duties as expeditiously as possible.

The District and the Association agree that no more than two (2) bargaining unit representatives shall be allowed to meet with the District management on District time during normal working hours for the purposes of meeting and conferring the negotiation or re-negotiations of this agreement without loss of compensation or benefits.

D. The exercise of such rights does not preclude employees or their Association representatives, as defined in the section of this agreement entitled ASSOCIATION STEWARDS AND REPRESENTATIVES, from conferring or raising objections about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment as elsewhere provided in this Agreement.

7.0 MANAGEMENT'S AUTHORITY

District retains, solely and exclusively, all rights, powers and authority exercised or held prior to the execution of this Agreement, except as expressly limited by a specific provision of this Agreement. Without limiting the generality of the foregoing, the rights, powers and authority retained solely and exclusively by the District and not abridged herein, include, but are not limited to the following:

To manage and direct its business and personnel; to manage, control, and determine the mission of its departments, building facilities, and operations; to assign, repair, inspect, and retrieve District property and space; to create, change, combine or abolish jobs, policies, departments and facilities in whole or in part; to subcontract or discontinue work for economic or operational reasons; to direct the work force; to increase or decrease the work force and determine the number of employees needed; upon reasonable suspicion of impaired ability on the job, to require employee physical examinations and tests endorsed by a physician and paid for by the District; to hire, transfer, promote, and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation and reasonable work load; to specify or assign work requirements and require overtime; to schedule working hours and shifts; to adopt rules of conduct (including acceptable dress standards) and penalties for violation thereof; to determine the type and scope of work to be performed by employees and the services to be provided; to take action deemed necessary to provide for the safety of employees and clients; to classify positions; to establish initial salaries of new classifications after notification of the Union; to determine the methods, processes, means, and places of providing services and to take whatever action necessary to prepare for and operate in an emergency. The Association shall extend this same cooperation to ensure the economy of operation, quality of output, cleanliness of the District; and protection of persons, equipment, and property. It is furthermore agreed that it is the duty of the District and the employees to cooperate for the advancement of said conditions.

Management shall have the right, under its sole discretion, to require any covered employee to seek medical, psychological or physiological assistance or review for determining the fitness of the employee for duty. Any such required examination or treatment shall be at the District's expense and shall take place at a medical facility of the District's choice.

8.0 NON-DISCRIMINATION

The District and the Association agree that the provisions of this Agreement shall apply equally to all Association employees without discrimination because of race, creed, age, sex, national origin, marital status, disability, sexual preference, sexual orientation and gender identity/expression, political or religious affiliations. However, the Association agrees that it shall not support or direct any campaign on District property during work hours for or against any of the above, except as provided by law and the terms of this Agreement.

9.0 DUES DEDUCTION

Upon signed and dated written request of the Employee, the District shall deduct Association dues from the Employee's paycheck. The District shall remit said dues to the Association or designated entity on a monthly basis for the duration of this Agreement, which dues shall not include assessments. Monthly Association dues deductions, additions and/or deletions shall be recorded by the District Business Department and a notification of all Association dues transactions shall be sent monthly to the Association. The Association shall hold the District harmless from all claims and will indemnify it against any unusual costs in implementing these provisions. The Association shall refund to the District within thirty (30) days of notification, any amount paid to it in error upon presentation of supporting evidence.

An Association member may exercise their right to resign from Association membership by transmitting a written notice of resignation to the Association and to the District's Business Department.

The District shall cancel dues deductions for employees upon notice from the Association that the resignation meets the conditions of this Agreement.

10.0 JURY DUTY

Specific provisions regarding Jury Duty are stated in the Personnel Guidelines Manual and as provided in the subsection of this Agreement under LEAVES of ABSENCE.

11.0 SALARY ADJUSTMENT

11.1 Cost of Living Adjustment

Effective the first full pay period of each year of each of the years of the contract, the base salaries of all the Association members shall be increased by an amount equivalent to the Consumer Price Index (CPI) for all urban consumers for Los Angeles, Orange County, and Riverside (1982-84 = 100) for the calendar year ending the previous December, using the annualized figures or three percent (3%) whichever is less. In the event the calculated CPI is less than two percent (2%) in 2014 for the 2015 increase then the increase shall be 2%. In the event the calculated CPI is less than one percent (1%) in 2015 for the 2016 increase and each year thereafter, then the increase shall be one percent (1%).

If the Harbor District's consolidated budgeted (excluding the Capital Budget) expenditures exceed projected revenues by more than 2%, then this Cost of Living adjustment may not go into effect. However, the parties agree to meet and confer regarding the budget deficit as it relates to this section.

12.0 PENSION CONTRIBUTION

Pension plans are administered by the California Public Employees Retirement System (CalPERS). There are three pension tiers: Safety 3% @ 50 for Tier 1 Members; Safety 2% @ 50 for Tier 2 Members; or 2.7% @ 57 for PEPRA New Members. The tier an employee is placed in is dependent upon hire date and CalPERS membership date.

12.1 The District agrees to contribute employer's amount as annually calculated by the Pension Plan Administrator (California Public Employees' Retirement System –CalPERS – Safety 3% @ 50 Tier 1 Members; Safety 2% @ 50 Tier 2 Members; or PEPRA New Members 2.7% @ 57) of the annual salary of each regular Harbor Patrol employee.

12.2 CalPERS determines reportable earnings and non-reportable earnings. Non-reportable earnings include but are not limited to overtime and stand-by pay. Employees agree to contribute a percentage of the employee's reportable earnings. The employee percentage maybe adjusted annually by CalPERS.

12.3 For fiscal year beginning July 1, 2015 the Employer and Employee required contributions are as follows:

Plan	Employer Rate	Employee Rate	Additional Employer Contribution
Safety 3%@50	17.557%	9.000%	\$20,743
Safety 2%@50	13.813%	9.000%	-0-
Safety 2.7%@57	11.153%	11.153%	-0-

12.4 Every employee covered under this MOU shall be required to participate in CalPERS retirement. Participation shall follow the provisions as stated in the Public Employees Retirement Law, Government Code Title 2, Division 5, Parts 3 through 8, Sections 20000 through 22970.89, and Code of Regulations Title 2, Division 1, Chapter 2, Sections 550 through 599.515.

13.0 WORK SCHEDULE

The Harbor Patrol Department shall generally work a ten hour shift, unless employee is in training in which case employee shall work an eight hour shift. If circumstances change that require different schedules, the Association and District Management shall meet and confer on this specific issue. If the change in circumstances ceases to exist then the Department shall return to the ten hour day schedule.

No later than September 22, 2016, the Harbor Patrol Department and District Management shall meet and confer regarding a voluntary one hour work-out session during scheduled hours.

13.1 Overtime Pay

The District may assign employees work in excess of the normal, regularly scheduled forty (40) hour work week, which shall be compensated as overtime pay. In place of overtime pay, an employee may request compensatory time off (CTO), which may be approved if the District so deems that CTO will not have any adverse affect on operations, scheduling, or expectations of the public and others served by the District. Compensation will be at a rate of one and one half times (1-1/2) the employee's regular hourly rate of pay, for any hours of time worked in excess of forty (40) hours in any one work week or ten (10) hours in any one

day (or regular scheduled shift), as overtime pay or at the rate of one and one half (1-1/2) times the hours worked if compensatory time off is allowed.

13.2 All overtime work shall be authorized in advance by the employee's immediate supervisor or higher authority, such as the Department Head or Harbor Manager; failure to obtain permission is grounds for discipline. All time which an employee actually works (including CTO, holiday, vacation, sick, jury duty) shall be considered in establishing the employee's usual forty-hour (40-hour) work week. Employees receiving time and one-half (1-1/2) for holidays shall not be entitled to additional overtime in addition to the time and one half (1-1/2) for hours worked in excess of overtime limits. Holiday pay and overtime pay will be the same for an employee whose normal schedule includes the holiday, and an employee that works on a holiday that is not part of the employee's regular schedule.

13.3 Compensation, as provided herein, shall not be granted to any employee for services for which the employee has been otherwise compensated. For purposes of this section, compensation for paid time off shall be considered as compensation for services rendered.

13.4 A nonexempt Association member may accrue a maximum of sixty (60) hours of compensatory time off. Members may not carry more than forty-five (45) hours of compensatory time on the first pay period in October. Any amount over 45 hours shall be paid on the last payroll check in September. The employee shall be permitted to schedule the use of CTO, at the discretion of the District as stated above, provided the employee requests the time off at least seven (7) work days in advance. If the requested time off is not granted, the immediate supervisor and the employee shall meet to select an alternative date. If no alternative date is available, the employee shall be paid in cash in lieu of receiving time off. Compensated overtime shall be paid to the nearest fifteen (15) minutes worked.

13.5 Requests for CTO use with less than seven (7) days' notice are at the discretion of the supervisor and shall not be approved if they will cause the District to incur overtime charges to compensate for CTO use as a result.

13.6 The immediate supervisor may approve payment in cash in lieu of receiving time-off if granting time-off creates an undue hardship on the Department. Requests for payments and supervisor approval shall be presented to the Payroll Department at the regularly scheduled time card due date and shall be included in employee's normal pay check or direct deposit.

14.0 CALL BACK PAY

Employees who are called back to work without any advance notice when off duty and required to report back for duty, shall receive a minimum of two (2) hours pay at the regular hourly rate. Call Back pay is not applicable to overtime worked as extensions of a normal shift or scheduled overtime assignment.

15.0 STANDBY PAY

15.1 Certain employees will be required to be on standby for rapid response to District operational problems or emergencies after hours, week-ends or holidays. Standby pay shall be \$3.00 per hour for each hour of standby duty. Standby hours shall not include any hours for which the employee receives regular or overtime pay. Upon call out (when the employee leaves their house or location in which the call out was received) the employee shall then be "on the clock" for the purposes of regular or overtime pay. The employee shall be "off the clock" upon leaving the Harbor District or other duty location. The time of these

occurrences shall be recorded on the employee's time card in order for the proper payment to be issued. This Standby Pay is in addition to the employee's pay for regular duty work schedule and is also in addition to any overtime actually worked. Thus, if an employee on standby must respond to a problem which results in time actually worked in excess of a 40-hour week, the standby employee will be paid for the time actually worked at time-and-one-half overtime rate or double time if worked over twelve hours in a day. An employee on Standby status will not be covered by the 2 hours minimum provisions of Section 14.0, Call Back Pay, herein.

15.2 An employee on standby duty will be required to carry a cell phone and remain in the local area. The standby employee may pursue any personal activity, which leaves him/her available to promptly respond to calls for response to operational problems or emergencies. The standby employee shall refrain from activities which might impair his/her assigned duties upon call.

16.0 MEAL PERIOD

All full-time harbor patrol officers will be available and on radio standby during their entire workday. A meal break may be taken if four (4) or more hours are worked per day and the Harbor Patrol Officer is available to respond for duty.

17.0 TRAVEL ALLOWANCES

Employees required by the District to attend educational programs, training sessions and/or meeting functions, as representatives of the District shall be compensated as provided in the District's 'Travel Expense Reimbursement' Policy.

18.0 TYPES OF EMPLOYMENT

The District has one (1) category of employment covered by this Agreement, which are regular employees.

18.1 Regular

Regular employees are those employees who are hired on a full-time basis to work forty (40) hours per week. All regular employees, upon initial hiring or upon promotion, must serve a probationary period. Regular employees are subject to all applicable terms and conditions of this Agreement.

18.1.1 Probationary Period

A. The newly appointed and existing regular employee's probationary period is basically an on-the-job test with pay - "an extension of the examination process." It is a period during which the employee has an opportunity to prove himself/herself in the actual work situation. It is also a training period, and supervisors shall work conscientiously with the new or promoted employee to improve his/her work and to help him/her learn the job. It is also a period when the Harbor Manager and supervisors have the opportunity to observe and appraise the conduct, performance, attitude, adaptability and job knowledge of the employee, and to determine whether he/she is fully qualified for regular status. The probationary period will be twelve (12) months from the initial date of employment. A probationary employee whose work is deemed unsatisfactory can be terminated at any time during the twelve-month (12-month) probationary period without right of appeal.

B. The length of the probationary period of a promoted employee shall normally be ninety (90) days unless otherwise specified by the District. Any employee not continued beyond the probationary period following a promotion appointment shall be reinstated to the position from which he/she was promoted if this occurs within ninety (90) days from the promotional appointment date. Then the employee shall be reinstated to the position from which he/she was promoted, provided that a vacancy exists at the same or lower level in the classification series to which he/she would revert. If this does not occur the District will attempt to find another suitable position at or below the level of range and step the employee held before the promotional appointment, but the District does not guarantee this will occur, except by virtue of a reclassification, within the District service. The probationary period may be extended by mutual consent as a result of an employee's poor performance evaluation. If no vacancy exists, the promoted employee shall be placed on pre-employment hire list for the period of one (1) year.

C. The District shall provide a newly appointed probationary employee a review of his/her performance at approximately the end of each of the first twelve (12) months from the date of hire. During the twelve (12) month period, the employment relationship may be terminated voluntarily or involuntarily without the right of appeal.

18.1.2 Harbor Patrol Officer I

The normal entry level in the Harbor Patrol Officer (HPO) series is HPO-I. Officers at this level are considered to be in a training status and are expected to satisfactorily complete a qualification program not later than eighteen (18) months from the initial date of employment.

18.1.3 Harbor Patrol Officer II [ELIMINATED APRIL 2007]

18.1.4 Harbor Patrol Officer III

Within twelve (12) months of employment and upon completion of the qualification training program, the officer may be promoted to HPO-III. The qualification program, administered by the CHPO is designed to insure that the trainee is fully qualified in the operation of all vessels, vehicles and equipment and in the enforcement of all rules and procedures governing the operation of the District. Failure to satisfactorily complete all elements of the qualification program within a twelve-month (12-month) training period (from the date of hire) may result in involuntary termination under the provisions of Section 42.0 at the sole discretion of the Harbor District.

18.1.5 Harbor Patrol Officer Classifications

The Harbor District and the Harbor Patrol Department shall meet and confer on clarifying HPO I and III classifications., Upon recommendation by the Chief Harbor Patrol Officer and approval by Harbor Commission, Harbor Patrol Officer representatives and District may meet and confer on adding a supervising Harbor Patrol Officer or similar title. Upon adoption of classification changes by Harbor Commission, Public Safety and Law Enforcement Policy Chapter 7000 and any other policies, procedures, or ordinances affected by this change will be updated accordingly.

19.0 CLASSIFICATION CHANGE

The parties agree to consult and discuss over any proposed changes in classifications (i.e., job status change). Classifications as determined in this section are considered a position such as a harbor patrol officer. Classification Changes: Notification of change. During the course of this agreement, if the District desires to change the current content of

classifications in effect at the beginning of this agreement, the District shall consult and discuss with the Association over this matter. If the District and the Association cannot reach agreement on the appropriateness of the change and/or an appropriate pay level as a result of proposed changes, the District shall implement the proposed classification change but shall enter into re-negotiation regarding the change when the parties negotiate a new Memorandum of Understanding.

NOTE: CLASSIFICATION PROGRAM: Classifications (positions) are established by the Commission and are subject to annual funding, without cause or requirement to meet and confer with the Association.

19.1 Position Vacancies

Selection for Vacancies: It is the District's policy to give qualified employees preference over others when filling vacancies within the organization. However, because of legal requirements and the levels of education and other qualifications required for many positions, promotions from within are not always possible or appropriate. In addition, the District reserves the right to fill vacancies, laterally or otherwise, from qualified, exempt management employees, who apply or are granted such rights. An employee's past performance, qualifications, potential, abilities, and job experience are important factors that are considered in the selection of employees for promotion. Therefore, the positions may be open only to current employees or others, as the Harbor Manager considers necessary. Promotion probation as per Section 18.1.1 B shall apply.

19.2 Posting of Position Vacancies

Notice of all openings in current or new classifications shall be posted on bulletin boards. The notice shall contain the following:

- | | |
|-------------------------|----------------------------|
| A. Recruitment criteria | B. Position title |
| C. Examples of duties | D. Required qualifications |
| E. Salary Range or rate | |

20.0 THE SALARY STEP PLAN

The salary step plan shall provide a salary range for each employee job classification. Such salary range will be divided into six (6) salary level steps, which shall be interpreted and applied as follows:

1. "A" STEP: The "A" or first step salary level will be the minimum rate and normally shall be the starting or hiring rate and shall include the twelve (12) months probationary period. In special cases when it is merited by experience, education, training or other qualification, the Harbor Manager may approve the hiring of a candidate for employment at a higher level.
2. "B" STEP: The "B" or second step salary level may be granted to an employee after satisfactory completion of twelve (12) calendar months of continuous service at the "A" Step in one or more classifications. The adjustment shall be made only if granted by the District on a basis of a satisfactory performance evaluation.
3. "C" STEP: The "C" or third step salary level may be granted to an employee who has proven to be fully satisfactory in a given (i.e., the same) classification for twelve (12) calendar months of continuous service from the granting of the previous salary step increase only if granted by the District on the basis of a satisfactory performance

evaluation. The third step is an incentive advancement and is the rate at which fully qualified, experienced and ordinarily conscientious employees may be expected to be paid.

4. "D" STEP: The "D" or fourth step salary level may be granted to an employee who has proven to be fully satisfactory in a given (i.e., the same) classification for twelve (12) calendar months of continuous service from the granting of the previous salary step increase only if granted by the District on the basis of a satisfactory performance evaluation. The fourth step represents the middle value of the salary range and is reserved to reward employees whose work is above average for their class.

5. "E" STEP: The "E" or fifth step salary level may be granted to an employee who has proven to be fully satisfactory in a given (i.e., the same) classification for twelve (12) calendar months of continuous service from the granting of the previous salary step increase and only if granted by the District on the basis of a satisfactory performance evaluation. The fifth step is reserved as a reward for outstanding service.

6. "F" or sixth step salary level may be granted to an employee who has proven to be fully satisfactory in a given (i.e., the same) classification for eighteen (18) calendar months of continuous service from the granting of the previous salary step increase only if granted by the District on the basis of a satisfactory performance evaluation. The sixth step is reserved for job performance, which exceeds established standards. It may be presented to an employee who has demonstrated a sense of public service, contribution to advancement of the District's objectives and goals. Additionally, to be awarded this step, employees must have a good record of reporting to work regularly (limited sick days off) and being on time.

20.1 Advancement Base Date

The basis for the advancement date for all step advancements shall be the employee's date of hire or appointment, except as follows:

1. If the employee receives a promotion to a position resulting in the employee receiving compensation at a higher range, a new advancement date shall be based on the date of the promotion having become effective.
2. If the employee terminates employment or is terminated from the District and is re-employed or is re-appointed at a later date, that employee shall be given a new initial anniversary date which shall be the last date of employment or reappointment.

Step Increase on Promotions

When an employee receives advancement to a higher range, the employee's new compensation shall be determined by locating the dollar amount of the range and step from which promoted, in the new range. If the dollar amount falls between steps of the new range, the next higher step shall apply so that the employee receives a minimum of five percent (5%) increase for the promotion.

20.2 Special Merit Advancement

The Harbor Manager may, upon the recommendation of the Chief Harbor Patrol Officer, authorize advancement of an employee to any of the last five steps, (Steps "B" through "F"), earlier than the employee normally would be eligible by virtue of length of service. Such action is reserved for very exceptional cases, and shall be approved only after being carefully analyzed. A special merit advancement need not affect or change the date of a subsequent regular merit increase.

20.3 Demotion

Reduction in salary may occur in the event of demotion due to disciplinary actions.

20.4 Pay Dates

As previously and currently defined the work week shall be defined as 0001 hours on a Sunday to 0000 hours on the following Sunday.

The pay period shall be defined as 0001 hours on a Sunday to 0000 hours two weeks later. Payday shall be the Friday following the end of the pay period. There shall normally be 26 pay periods in a calendar year.

21.0 HEALTH & WELFARE BENEFITS

21.1 Total contributions (flexible dollars plus non-elective contributions) for full-time, permanent employees shall equal the lowest cost HMO health care plan less the following amounts on a monthly basis:

Employee only:	\$0
Employee plus one dependent:	\$61 per month
Employee plus 2 or more dependents:	\$100 per month

The District Section 125 Plan Document will be updated to coincide with the above employee pre-tax contribution amounts.

21.2 The District shall provide flexible dollars for the purchase of dental insurance including insurance for employee's spouse and eligible dependents. The District shall also contribute flexible dollars for the purchase of employee only vision-care insurance.

21.3 The District's non-elective contribution to the Section 125 Cafeteria Plan for health insurance coverage shall be as directed by CalPERS: (Currently, \$122 per month).

21.4 Flexible dollars are provided to current employees who participate in a CalPERS health plan offered only through their employment. Such flexible dollars are based on the annually identified CalPERS lowest cost HMO premiums and the election by the employee of employee only, employee plus one, or employee plus two coverage as presented above.

21.5 The effective date of coverage and terms of coverage shall be governed by the plan in effect at the time of the signing of this agreement. Eligible employees whose health insurance needs are adequately provided through another source, e.g., a spouse's plan or one which carries over from a previous employment, may elect not to participate in the District's Section 125 Premium Only Plan. Those employees who have provided evidence of acceptable (to District) medical insurance coverage shall receive, in lieu of flexible contributions and non-elective contributions, payment of \$200 per month in addition to their regular pay.

21.6 The Harbor Patrol Department may participate in Health and Dependent Care flexible spending account programs in effect and generally available to other Employees of the District and as allowed under the District's Section 125 Cafeteria Plan.

22.0 DEFERRED COMPENSATION PLAN

41.2.1 In order to provide a fair method of disciplining employees, the following progressive disciplinary procedures shall normally be taken when disciplinary action is necessary, except in the case of immediate disciplinary action, as stated in the section of this Agreement entitled IMMEDIATE DISCIPLINARY ACTION. Progressive discipline must be timely and should follow, as closely as possible, the incident requiring the disciplinary action.

- A. Department heads or supervisors shall administer discipline for the employees in his/her department and make all determinations concerning the discipline of said employees.
- B. The Harbor Manager shall administer and make determinations concerning the discipline of Department Heads.

C. The only disciplinary determinations which are subject to the Grievance Procedures as outlined in this document are final decisions respecting:

1. Suspension without pay,
2. Demotion, and
3. Termination.

41.3. Disciplinary Steps:

1. **ORAL WARNING:** On the first occurrence of acts or omissions giving a ground for discipline, the employee's supervisor will give the employee an oral warning concerning the act or omission.

NOTE: A written warning may be given in this step if so determined by the supervisor and severity of the situation.

2. **WRITTEN WARNING:** On a subsequent occurrence of the same or similar act or omission by the employee, the employee's supervisor will give the employee a written warning that should include the following:

- a. Statement of the problem or concern.
- b. The desired improvement.
- c. Suggestions as to how to improve.
- d. Provisions for assisting the employee when applicable.

Said written warning shall indicate that repetition of the same or similar act or omission can result in further disciplinary action.

- a. Suspend the employee without pay for a period of up to thirty (30) calendar days (the employee will not be eligible to use his/her vacation time, sick leave or compensatory time off during any period of suspension under this policy).
- b. Demote the employee to the next lower step.
- c. Terminate the employee.

The written notice to the employee from the supervisor shall include a statement of the reasons for the proposed disciplinary action.

Such appeal shall state the basis for his/her appeal of the supervisor's decision. The Harbor Manager shall hold a hearing on the appeal within (5) working days after receipt of the employee's appeal and shall issue a written decision within seven (7) working days of such hearing. If the Harbor Manager decides to affirm the supervisor's proposed disciplinary action, it shall be imposed effective the working day following the date of the Harbor Manager's decision. If the employee fails to give a notice of appeal to the Harbor Manager within the required five (5) working days, the discipline shall be imposed.

B. Intoxicating liquors, drugs or substances: On the first occasion the employee shall be given an opportunity to seek professional counseling and/or treatment and a written warning will be placed in his/her personnel file. The employee shall not be placed on administrative leave, without pay but may use sick leave, compensatory time off, and annual leave, in that order, while seeking professional counseling and/or treatment. A letter from the provider of the professional counseling and/or treatment must be received by the Harbor Manager prior to the employee returning to work and must state the nature of the treatment or counseling, the extent or degree to which the employee has recovered, the fact that the employee is recovered sufficiently to return to work, any limitations to be imposed on the employee while at work, and any further treatment or counseling required, including timing and extent. The employee may be allowed to return to work providing that the professional counselor or treatment provider's requirements or stipulations can be met by the District without any adverse affect on District operations, objectives, and/or safety. On a second occasion the employee shall immediately be suspended or terminated at the sole discretion of the Harbor Manager. If the employee refuses to seek counseling or treatment on the first or subsequent occurrence, the employee will be immediately terminated and the District shall not be held liable except for unpaid accrued wages or compensatory time or other benefits for which the employee is entitled under this Agreement.

C. Impact on Health, Safety and Welfare: Any discipline which, in the judgment of the Harbor Manager, must be imposed immediately to protect the health, safety or welfare of the community or other District employees, may be immediately imposed without requiring implementation of the pre-disciplinary procedures of this Agreement.
