- Vessels up to 35 feet = \$93.00  
36-55 feet = \$114  
56-75 feet = \$129
- \_\_\_\_\_ Copy of driver's license.

## PURCHASE OF MOORING EQUIPMENT ONLY

Per the Port San Luis Code of Ordinances Mooring and Water Use Code, Section 16.210(E) – Sale of existing mooring:

- 1) Effect of sale of mooring upon buyer. The sale of a mooring does not entitle the buyer to a mooring permit space in the harbor on state tidelands, nor does such a sale convey any mooring seniority to the new owner.
- 2) Mooring Relocation. If there is no waiting list and spaces are available, the District will relocate the mooring into a vacant space (according to the buyer's seniority) concurrent with the Annual Inspection Schedule.
- 3) Removal and storage. If there is a waiting list and spaces are available, the District may remove and store the mooring at the buyer's expense, until the buyer receives a mooring permit according to his/her position on the mooring waiting list.
