- 1) Question: My understanding that Avila Beach Boat Charters has not worked their permit for 2017 and 2018. Is there an opportunity to use that permit in 2019?

Answer: The District will accept all proposals and it is for the Harbor Commission to decide if the District will issue another charter/sailing license. Currently, all licenses for sailing charters and power vessel tours have been issued, per the two like vendor's standard adopted by the Commission.
