FAQ's RV Camping – Can I Make a Reservation for a Spot? - Reservations are not accepted. Space is available on a first-come, first-served basis only. You must physically be in a camp site with your recreational vehicle to secure a camp site. If traveling from out of the area, it is recommended you have an alternative camping plan should all of our spaces be full when you arrive. To secure a site, pull your recreational vehicle into any vacant site. Then proceed to make self-service payment at the closest Iron Ranger Pay Station located in each camping area. Please note that the spots closest to the restrooms in Coastal Gateway are for trailer boat camping only. If there are no vacancies, please line up on Avila Beach Drive across from Woodyard and the Camp Hosts will contact you when they are in the area.
